

Warren: warren#0001 Discord ID: 882810265769492492 Roblox: ramsesbakyl

Purpose: Purpose#0006 Discord ID: 330457126621282348

Nixon: Nixon#1984 Discord ID: 874446544915546152 Roblox username: NixonFalkenhayn

They brought in a server admin, r\_einhard. Both Nixon and Reinhard have “Cerberus #1” in their discord about me page. Cerberus is the roblox hacking group.

Update: They banned everybody; if not, just a whole lot. Purpose left as well. Siydot was DDosed. Exec thinks nixon deleted it after purpose left and transferred ownership. PLEASE READ ALL PAGES!

Scroll down for more, google docs is stupid with images  
Current situation:

**TheValentine**

**The Chad vulpes** Today at 10:17 AM

Make new ones

**TheValentine** Today at 10:17 AM

I cant.

**The Chad vulpes** Today at 10:17 AM

I have a list in mind sure you can

Don't give up dude the genre actually had soul

**TheValentine** Today at 10:17 AM

They are threatening to ddos the group if I dont give the group to Purpose.

Its either it lives with purpose

**TheValentine** They are threatening to ddos the group if I dont give the group to Purpose.

**The Chad vulpes** Today at 10:18 AM

By they you mean...

**TheValentine** Today at 10:18 AM

Or dies forever

Warren and Nixon.

**The Chad vulpes** Today at 10:18 AM

I'd rather it die than be with them

Would you rather the British rule America or nobody?

Would you rather be a atheist or die?

**TheValentine** Today at 10:20 AM

I might just delete Tales.

Go down with the ship.

**The Chad vulpes** Today at 10:20 AM

Do it if you have to

I'd do the same with Radio.

**TheValentine** Today at 10:21 AM

I'm sorry it ended like this.

Some fishy stuff the group has been up to:

**Nixon** 09/06/2021

yeah retard

what do you thin kcerberus is

xd

think

**Bound For Glory** 09/06/2021

Use them on israel already.

**Nixon** 09/06/2021

lol

want a meme

we did already

**warren** 09/06/2021

Parsifal what's better

**Nixon** 09/06/2021

a israel group had 40 on

we killed it

Nixon 09/07/2021  
stop capping max  
cerb works

Max. 09/07/2021  
???

reinhard 09/07/2021  
its an army parade  
128.116.36.29:52696  
boot it

**warren** 09/09/2021

My community, has lost its innocence, and it has lost its prestige,

**Nixon** 09/09/2021

as if it had any

**warren** 09/09/2021

a 'diverse' couple to say the least moved in to a vacancy  
which still baffles me how they could afford it

**Nixon** 09/09/2021

a leftist gave it up or put them there  
epurposefully  
there\*

**warren** 09/09/2021

then we force them out  
Have security constantly remind them to cut the grass, and follow HOA rules  
and I'll also probably inform ICE just to be safe  
like I used to go for walks to calm down  
If I to purchase all I see is them  
and their annoying brat who shinned me today, and plays basketball with his dad,  
ass African net set up

**0x59** 09/12/2021  
bad

**Max.** 09/12/2021  
it's lowpoly art  
what do you mean

**0x59** 09/12/2021  
i mean its bad

**Lux** 09/12/2021  
Klein gives absolutely 0 shits about your  
feeling.

**Nixon** 09/12/2021  
speaking of

**Max.** 09/12/2021  
idc  
its lowpoly art  
it's meant to be lowpoly  
retard  
wtf is ryserin

**Nixon** 09/12/2021  
trash  
cerb #1  
fuck off kike

 @Nixon lgbtq hangouts go boom

**Lux** 09/12/2021

Crash all of the hangouts

**Nixon** 09/12/2021

ok yk bleeding edge

**Max.** 09/12/2021

the most packets i've ever heard of was  
1.25tb p/s

 @Max. port/ip

**Lux** 09/12/2021

and how do you get that from a roblox game

**Max.** 09/12/2021

you get llogged when you join it

**Lux** 09/12/2021

and how can I catch that?

I mean

is there a way to see it?

**Max.** 09/12/2021

there's a log cache in your %appdata  
which you can find the port&ip

**Lux** 09/12/2021

So wait, how exactly do you crash stuff

**reinhard** 09/12/2021

its a message

**Lux** 09/12/2021

what type of information do you need for it  
to work tho

**reinhard** 09/12/2021

just like what we r doing rn

**Max.** 09/12/2021

port/ip  
because  
it sends  
packets

**Nixon** 09/12/2021

lgbtq hangouts go boom

**reinhard** 09/12/2021

yep

**Zander.** 09/12/2021

8080 😊

Join

that is the service they use to DDOS  
keep an eye on it.

Nixon 09/13/2021

@Bearded we'll discuss how cerberus requires  
advertisements in your genre later

Today at 2:46 PM

Wait let me explain

Warren is trying to control the community I think

lk there was some 100k robux deal going on

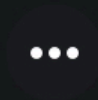

So ya

I love dictators

warren added Nixon to the group.
